YOUR HELP WITH OUR SOCCER PROGRAM IS NEEDED!

Our soccer program requires several volunteers to perform a variety of functions. Some of the volunteer roles would be to manage uniforms, organize volunteers for tournaments, look after coaches, communicate with the overseeing soccer organization, etc.

Without volunteers we wouldn't be able to run the soccer program!

THE IMPACT OF NO VOLUNTEERS

Imagine if one day, ALL volunteers simply didn't show up.

What would our cities, towns, state/provincial parks, schools, places of worship and libraries look like? What basic needs would go unmet? What opportunities to grow, learn and thrive as a society would be lost?

Look at this impact at the neighbourhood level. How would it affect you and your family?

Everyone has the **POWER** to **MAKE CHANGE** by **VOLUNTEERING** time to your community league.

YOU MAKE A DIFFERENCE!

Every person counts! You can get involved in the community a number of ways, and it doesn't have to take over your life. The league can use whatever time you are willing to give; 1 hour a week, 1 hour a month, 10 hours a month; a little time goes a long way. Everyone has the ability to volunteer and be a part of the solution!

There are five areas where South Clareview urgently needs volunteers:

SOCCKER: South Clareview was not able to run indoor soccer this fall due to a lack of volunteers. Are you able to help? Do you know someone in the community who is able to help?

BOARD AND COMMITTEE MEMBERS

The board is looking for energetic people with the following skills, or people willing to learn these skills:

- Managing teams, leadership and organizational management skills
- Working in a not for profit, running meetings, board governance
- Strategic planning and direction
- Event planning & coordination

- Coaches, teachers, mentors
- Program planning, delivery and evaluation
- Communications: Facebook, newsletters, twitter, etc
- Repairs and general maintenance of the building and grounds
- Project planning, coordination and project management
- Grant writing
- And many more

RINK VOLUNTEERS: Outdoor rinks are a very important amenity for SC youth. Volunteers are needed to help with all aspects of the operation and to maintain the newly renovated space. (Note: the ice attendant is a paid position.)

BINGO VOLUNTEERS: With the loss of soccer, volunteers are urgently needed to work Bingos this fall and winter. SC Bingos are held at Kensington Bingo hall. Bingo Credits can be used towards program fees.

VOLUNTEERS IN GENERAL

- The league is always looking for volunteers
- Volunteer what you can
- Volunteer 1 hour a week, 1 hour a month or as often as you can
- Together the league can accomplish a lot!

**Help SC accomplish their goals and
make this a happening place!**
