4. Print off confirmation membership number and information

If you do not have computer access, you may also call our Membership Director, Jeanne at 780-478-3272 and arrange to pick it up at a time convenient for all.

Hall renovations have begun!

The contractor is now onsite and our renovations are underway. It's an exciting time and if all goes well we should be opening the hall in early fall. We all hope to see you come out once it's open to see what has taken place.

I'll try to keep everyone posted on progress and how things are going while we anxiously await our redeveloped home.

My thanks to your executive and all those volunteers who helped in getting the hall ready for this momentous redevelopment.

South Clareview Community League

Soccer Coaches needed!

We are looking for soccer coaches for South Clareview outdoor soccer teams for U4 to U16 (under age 4 to under age 16).

You will need the following to become a soccer coach:

1. You will need to have a security clearance.
2. You will need to take the Edmonton Minor Soccer Level 1 Course (South Clareview Community League will pay for your course once you provide a security clearance.)

For more information please contact
soccer@southclareview.ca or juhasz69@telus.net

WE NEED SOCCER UNIFORM SPONSORSHIP!

South Clareview Community League Soccer is non-profit; we need new uniforms for our youth playing indoor/outdoor soccer. With more youth joining the South Clareview Community League soccer, the more we are in need!! The uniforms we have are not enough for all our players & what we do have are worn out & old. We are looking for companies that would want to sponsor one of our teams. Sponsorship would get your company logo on the uniforms, advertising in our newsletter, Facebook page & website.

For more information contact Shawna at (780) 953-3184

BINGO VOLUNTEERS ARE NEEDED!

We are needing volunteers for our upcoming Bingos!

Please contact Jeanne at (780) 478-3272

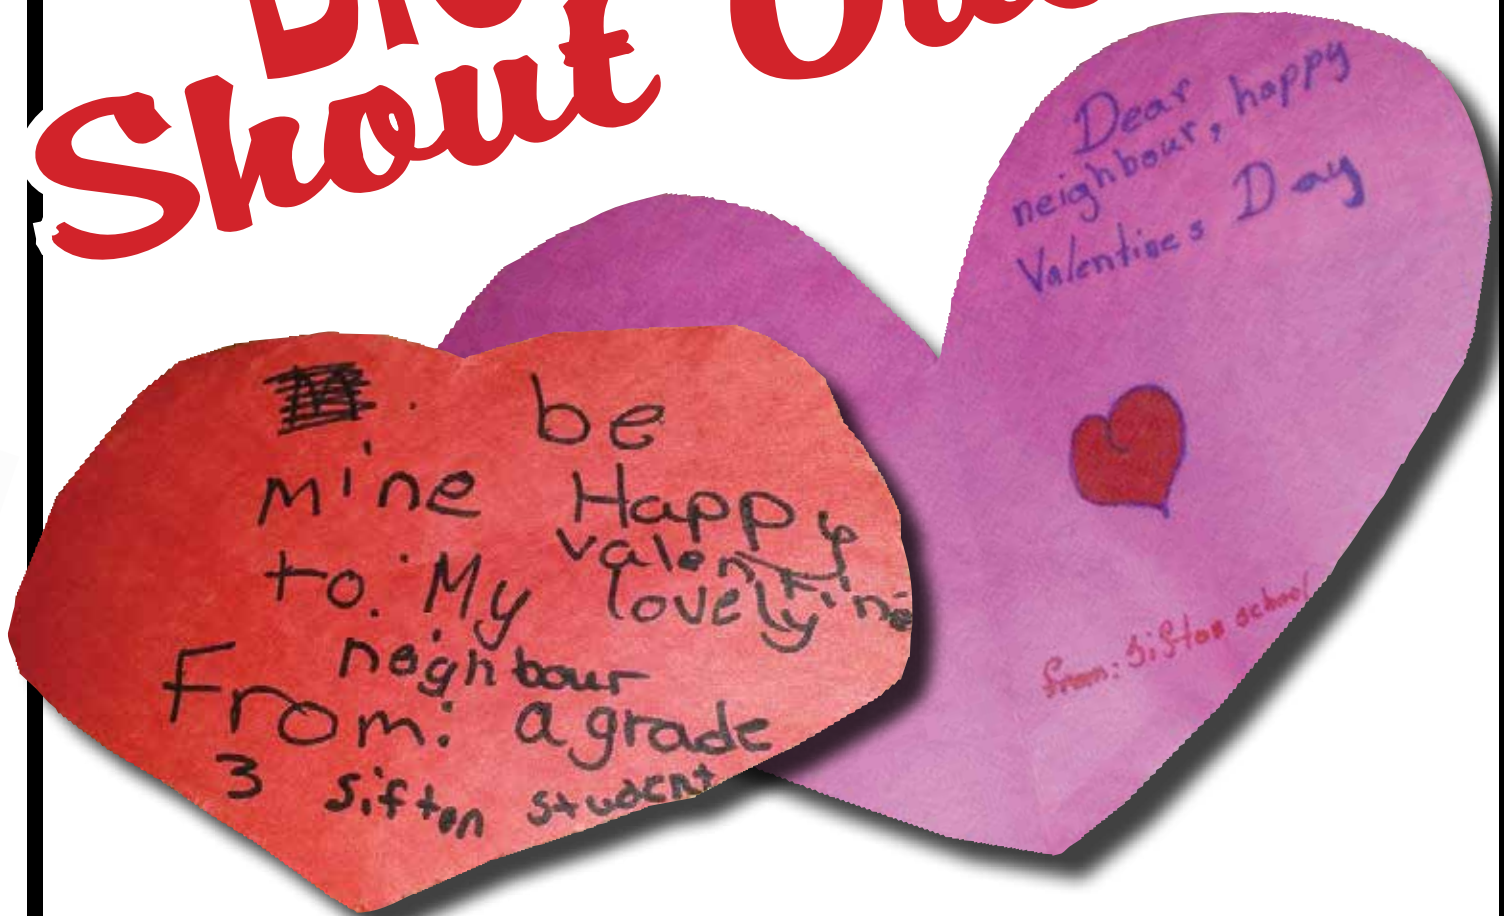

Silent auction donations are needed!

We are currently looking for items to be donated to our Silent Auction to help raise money for new uniforms for South Clareview Community League Indoor / Outdoor Soccer teams. If you or someone you know would be interested in donating a gift certificate, package or item for our auction we would greatly appreciate it! We will be promoting all our donors at the Silent Auction, in our next newsletter, our Facebook page and Website.

Please contact Shawna J Serniak at (780) 953-3184 or by email at shawnaseraniak@yahoo.com

BIG Shout Out!

A few days before Valentine's Day, neighbours around Sifton School found beautiful Valentine's greetings hand-made by the Sifton School students! They certainly brought a lot of smiles and warmed a lot of hearts.

A big shout out to Sifton School students for their random act of kindness!

is a Crime

Graffiti is a criminal offence when placed on public or private property without the owner's consent.

Private property owners are required to remove graffiti from their property within a reasonable amount of time.

Buildings and structures should not have graffiti on them that is visible from any surrounding property.

You should call 911 if you witness a graffiti crime in progress.

Graffiti Removal

Keep the exterior of your business clear of graffiti. Tidy walls have a positive effect on your property value and business sales.

The 3Rs of graffiti management are:

Record: Take photos of the vandalized area and record when it occurred

Report: Inform the Edmonton Police Service and the City

Remove: Wash or paint over the graffiti

Reporting Your Concerns

If you have a concern about graffiti:

- » Discuss the concern or notify the business owner so they may contact police
- » Record the address of the violation and a description of the problem if you can't resolve it directly with the business owner
- » Call 311
- » Provide your name, address, phone number, and the details of your concern in case your testimony is required in court

Responding to Your Complaint

After you call 311, the City takes these steps to help with your issue:

1. A file is created specifying your concerns
2. A Municipal Enforcement Officer (MEO) opens an investigation
3. The officer investigates your complaint within 4 business days
4. The MEO may issue a warning notice with directions to remedy the problem within a specified time frame or issue a bylaw ticket with a \$250 fine depending on the circumstances
5. The officer may issue an order, which allows the City to fix the problem and bill the property owner for the cost
6. The City may contact you to appear as a witness, if the matter goes to court

Protecting your Privacy

The information you provide will be used to process your complaint, but your name and address will not be made available to anyone else. For more information on how the City protects your privacy visit Freedom of Information and Privacy.

DUMPING

When someone deliberately dumps waste on public or private property without consent, they are dumping illegally. This practice is most common in out-of-the-way places like parks, back roads, and the river valley.

All waste, including natural materials like dirt and yard clippings, must be disposed of properly. Dumping even natural materials in parks and green spaces is illegal and can harm the environment.

Reporting Your Concerns

If you witness someone dumping illegally, write down as much information as you can including:

- » Licence plate number
- » Description of the vehicle
- » Description of the people
- » Description of the items being dumped
- » Time the incident happened
- » Location the incident happened

If you have a concern about illegal dumping but did not witness the incident:

- » Discuss the concern with the property owner
- » Record the address of the violation and a description of the problem if you can't resolve it directly with the property owner
- » Call 311
- » Provide your name, address, phone number, and the details of your concern in case your testimony is required in court

Responding to Your Complaint

After you call 311, the City takes these steps to help with your issue:

1. A file is created specifying your concerns
2. A Municipal Enforcement Officer (MEO) or Community Standards Peace Officer (CPO) opens an investigation
3. The officer investigates your complaint within 4 business days
4. The officer may issue a warning notice with directions to remedy the problem within a specified time frame or issue a bylaw ticket with a fine ranging from \$250 to \$10,000 depending on the circumstances
5. The officer may issue an order, which allows the City to fix the problem and bill the property owner for the cost
6. The City may contact you to appear as a witness, if the matter goes to court
